

# SUPER DOOR STOP

## Easy Storage

Uniquely designed to attach to door knobs, broom handles, vacuums, maid's carts and trash cans.

Built-in magnet stores easily on metal surfaces, simply "Place and Go!"

## Decrease Damage

Built-in shock absorber preserves the integrity of the door, door jam and hinges.

# SUPER DOOR STOP

## Easy To Use

Great for many service personnel such as janitors, delivery persons, housekeeping, contract cleaners and those who require regular passage through doors.

*Can be used on the floor, door frame and over the hinge.*

## No Bending

Back related injuries are costly to employers, through worker's compensation claims and lost productivity. **Super Door Stop** offers many alternative uses to eliminate the need for painful repetitive bending.
