SUPERIOR IMPACT

LOGO MATTING

Superior Impact™ logo matting is a truly cost effective, multi-functional entrance mat that stops dirt and debris at the front door while improving aesthetic appeal and promoting brand awareness. Designed for use at any prominent entrance from light to heavy traffic, Superior Impact™ matting creates a lasting impression at the point of first contact with your company...the front door.

Finally, a quality logo mat program you can afford!

Superior Impact™ logo matting is printed with a state-of-the-art dye-injection process that is entirely computer controlled. Dye is injected deep into the carpet pile for long-lasting vibrant color that resists fading over time. The mat itself is made from a high quality fiber with a heavy-duty PVC vinyl backing that creates greater surface friction, eliminating mat movement on smooth floors such as wood, marble, tile, or concrete. And because Superior Impact™ logo matting is made right here in the USA in our manufacturing facilities we can provide greater manufacturing efficiency, flexibility, and quicker turnaround times. The end result is a quality logo mat, quicker, easier...and at a reasonable price.

MAKE AN IMPACT!

There has never been an easier more affordable way to enhance your company's image, increase brand awareness, and give your logo or product the punch that it deserves. With Superior Impact™ logo matting, you can make an impact with your message, or to your bottom line!

ORDERING IS AS EASY AS 1, 2, 3:

1) Select Size & Orientation

- Available Standard Sizes:
2' x 3', 3' x 4', 3' x 5', 4' x 6', 4' x 8', 5' x 8'
- Landscape or Portrait Orientation:

Landscape

Portrait

2) Select Background Color

- 16 Base Colors to Choose From:

3) Submit Logo Artwork

- Acceptable logo formats:
JPEG, TIFF, BMP, EPS

*Minimum resolution of 300 dpi required.

Entrance matting is the perfect lead-in product for your "Green Cleaning" program, capturing and holding dirt and debris, improving indoor air quality, while reducing the migration of dirt throughout the facility.

GENERAL INFORMATION:

SENDING YOUR ARTWORK

You may email your artwork to: logos@notrax.com

CANCELLATIONS

Any costs incurred for artwork and work performed prior to cancellation will be billed accordingly. Finished mats must be paid for in full.
